NOTICE FOR RESIDENTS OF UTAH

Notice of Protection Provided by
Utah Life and Health Insurance Guaranty Association

This notice provides a brief summary of the Utah Life and Health Insurance Guaranty Association ("the Association") and the protection it provides for employers. This safety net was created under Utah law, which determines who and what is covered and the amounts of coverage.

The Association was established to provide protection in the unlikely event that your life, health, or annuity insurance company becomes financially unable to meet its obligations and is taken over by its insurance regulatory agency. If this should happen, the Association will typically arrange to continue coverage and pay claims, in accordance with Utah law, with funding from assessments paid by other insurance companies.

The basic protections provided by the Association are:

- Life Insurance
  - o $500,000 in death benefits
  - o $200,000 in cash surrender or withdrawal values
- Health Insurance
  - o $500,000 in hospital, medical and surgical insurance benefits
  - o $500,000 in long-term care insurance benefits
  - o $500,000 in disability income insurance benefits
  - o $500,000 in other types of health insurance benefits
- Annuities
  - o $250,000 in withdrawal and cash values

The maximum amount of protection for each individual, regardless of the number of policies or contracts, is $500,000. Special rules may apply with regard to hospital, medical and surgical insurance benefits.

Note: Certain policies and contracts may not be covered or fully covered. For example, coverage does not extend to any portion of a policy or contract that the insurer does not guarantee, such as certain investment additions to the account value of a variable life insurance policy or a variable annuity contract. Coverage is conditioned on residency in this state and there are substantial limitations and exclusions. For a complete description of coverage, consult Utah Code, Title 3 lA, Chapter 28.

Insurance companies and agents are prohibited by Utah law to use the existence of the Association or its coverage to encourage you to purchase insurance. When selecting an insurance company, you should not rely on Association coverage. If there is any inconsistency between Utah law and this notice, Utah law will control.

To learn more about the above protections, as well as protections relating to group contracts or retirement plans, please visit the Association's website at www.utlifega.org or contact:

CIVIL UNION NOTICE FOR RESIDENTS OF VERMONT

Vermont law provides that the following definitions apply to your certificate:

- Terms that mean or refer to a marital relationship, or that may be construed to mean or refer to a marital relationship, such as "marriage," "spouse," "husband," "wife," "dependent," "next of kin," "relative," "beneficiary," "survivor," "immediate family" and any other such terms include the relationship created by a Civil Union established according to Vermont law.

- Terms that mean or refer to the inception or dissolution of a marriage, such as "date of marriage," "divorce decree," "termination of marriage" and any other such terms include the inception or dissolution of a Civil Union established according to Vermont law.

- Terms that mean or refer to family relationships arising from a marriage, such as "family," "immediate family," "dependent," "children," "next of kin," "relative," "beneficiary," "survivor" and any other such terms include family relationships created by a Civil Union established according to Vermont law.

- "Dependent" includes a spouse, a party to a Civil Union established according to Vermont law, and a child or children (natural, step-child, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.

- "Child" includes a child (natural, stepchild, legally adopted or a minor or disabled child who is dependent on the insured for support and maintenance) who is born to or brought to a marriage or to a Civil Union established according to Vermont law.

- “"Civil Union"" means a civil union established pursuant to Act 91 of the 2000 Vermont Legislative Session, entitled “"Act Relating to Civil Unions"".

All references in this notice to Civil Unions are limited to Civil Unions in which the parties are residents of Vermont.

If dependent insurance for a spouse and/or child is not provided under your certificate, such insurance is not added by virtue of this notice.

For purposes of dependent insurance, any person who meets the definition of “"dependent"" as set forth in this notice is required to meet all other applicable requirements in order to qualify for such insurance.

This notice does not limit any definitions or terms included in your certificate. It broadens definitions and terms only to the extent required by Vermont law.

DISCLOSURE:

Vermont law grants parties to a Civil Union the same benefits, protections and responsibilities that flow from marriage under state law. However, some or all of the benefits, protections and responsibilities related to life and health insurance that are available to married persons under federal law may not be available to parties to a Civil Union. For example, a federal law, the Employee Retirement Income Security Act of 1974 known as “"ERISA"", controls the employer/employee relationship with regard to determining eligibility for enrollment in private employer benefit plans. Because of ERISA, Act 91 does not state requirements pertaining to a private employer’s enrollment of a party to a Civil Union in an ERISA employee benefit plan. However, governmental employers (not federal government) are required to provide life and health benefits to the dependents of a party to a Civil Union if the public employer provides such benefits to dependents of married persons. Federal law also controls group health insurance continuation rights under “"COBRA"" for employers with 20 or more employees as well as the Internal Revenue Code treatment of insurance premiums. As a result, parties to a Civil Union and their families may or may not have access to certain benefits under this notice and the certificate to which it is attached that derive from federal law. You are advised to seek expert advice to determine your rights under this notice and the certificate to which it is attached.

- if You do not resume Active Work in an eligible class at this time, Your employment will be considered to end and Your insurance will end in accordance with the DATE YOUR INSURANCE ENDS subsection of the section entitled ELIGIBILITY PROVISIONS: INSURANCE FOR YOU.

EVIDENCE OF INSURABILITY

No evidence of insurability is required for the insurance described in this certificate.

DISABILITY INCOME INSURANCE: SHORT TERM BENEFITS

If You become Disabled while insured, Proof of Disability must be sent to Us. When We receive such Proof, We will review the claim. If We approve the claim, We will pay the Weekly Benefit up to the Maximum Benefit Period shown in the SCHEDULE OF BENEFITS, subject to the DATE BENEFIT PAYMENTS END section.

To verify that You continue to be Disabled without interruption after Our initial approval of the Disability claim, We may periodically request that You send Us Proof that You continue to be Disabled. Such Proof may include physical exams, exams by independent medical examiners, in-home interviews, or functional capacity exams, as needed.

While You are Disabled, the Weekly Benefits described in this certificate will not be affected if:

- Your insurance ends; or
- the Group Policy is amended to change the plan of benefits for Your class.

BENEFIT PAYMENT

If We approve Your claim, benefits will begin to accrue on the day after the day You complete Your Elimination Period. We will pay the first Weekly Benefit one week after the date benefits begin to accrue. We will make subsequent payments weekly thereafter so long as You remain Disabled. Payment will be based on the number of days You are Disabled during each week. For any partial week of Disability, payment will be made at a daily rate of $1/7^{th}$ of the Weekly Benefit payable.

We will pay Weekly Benefits to You. If You die, We will pay the amount of any due and unpaid benefits as described in the GENERAL PROVISIONS subsection entitled Disability Income Benefit Payments: Who We Will Pay.

While You are receiving Weekly Benefits, You will be required to continue to pay for the cost of any disability income insurance defined as Contributory Insurance.

RECOVERY FROM A DISABILITY

For purposes of this subsection, the term Active Work only includes those days You actually work.

The provisions of this subsection will not apply if Your insurance has ended and You are eligible for coverage under another group short term disability plan.

If You Return to Active Work Before Completing Your Elimination Period

If You return to Active Work before completing Your Elimination Period and then become Disabled, You will have to complete a new Elimination Period.

If You Return to Active Work After Completing Your Elimination Period

If You return to Active Work after You begin to receive Weekly Benefits, We will consider You to have recovered from Your Disability.

If You return to Active Work for a period of 90 days or less, and then become Disabled again due to the same or related Sickness or accidental injury, We will not require You to complete a new Elimination Period. For the purpose of determining Your benefits, We will consider such Disability to be a part of the original Disability and will use the same Predisability Earnings and apply the same terms, provisions and conditions that were used for the original Disability.

DISABILITY INCOME INSURANCE: SHORT TERM BENEFITS

REHABILITATION INCENTIVES

Rehabilitation Program Incentive

If You participate in a Rehabilitation Program, We will increase Your Weekly Benefit by an amount equal to 10% of the Weekly Benefit. We will do so before We reduce Your Weekly Benefit by any Other Income.

Work Incentive

If You work while You are Disabled and receiving Weekly Benefits, Your Weekly Benefit will be adjusted as follows:

- Your Weekly Benefit will be increased by Your Rehabilitation Program Incentive, if any; and
- reduced by Other Income as defined in the DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT section.

Your Weekly Benefit as adjusted above will not be reduced by the amount You earn from working, except to the extent that such adjusted Weekly Benefit plus the amount You earn from working and the income You receive from Other Income exceeds 100% of Your Predisability Earnings as calculated in the definition of Disability.

In addition, the Minimum Weekly Benefit will not apply.

Family Care Incentive

If You work or participate in a Rehabilitation Program while You are Disabled, We will reimburse You for up to $100 for weekly expenses You incur for each family member to provide:

- care for Your or Your Spouse's child, legally adopted child, or child for whom You or Your Spouse are legal guardian and who is:
    - living with You as part of Your household;
    - dependent on You for support; and
    - under age 13.

The child care must be provided by a licensed child care provider who may not be a member of Your immediate family or living in Your residence.

- care for Your family member who is:
    - living with You as part of Your household;
    - chiefly dependent on You for support; and
    - incapable of independent living, regardless of age, due to mental or physical handicap as defined by applicable law.

Care to Your family member may not be provided by a member of Your immediate family.

We will make reimbursement payments to You on a weekly basis starting with the 4th Weekly Benefit payment. Payments will not be made beyond the Maximum Benefit Period. We will not reimburse You for any expenses for which You are eligible for payment from any other source. You must send Proof that You have incurred such expenses.

DISABILITY INCOME INSURANCE: SHORT TERM BENEFITS

Moving Expense Incentive

If You participate in a Rehabilitation Program while You are Disabled, We may reimburse You for expenses You incur in order to move to a new residence recommended as part of such Rehabilitation Program. Such expenses must be approved by Us in advance.

You must send Proof that You have incurred such expenses for moving.

We will not reimburse You for such expenses if they were incurred for services provided by a member of Your immediate family or someone who is living in Your residence.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT

We will reduce Your Disability benefit by the amount of all Other Income. Other Income includes the following:

1. any disability or retirement benefits which You receive or are eligible to receive because of Your disability or retirement under:

    - any state, public or federal employee retirement or disability plan**,** including State Teachers Retirement System (STRS)**,** Public Employee Retirement System (PERS) or Federal Employee Retirement System (FERS). You must apply for such benefits through the highest appeal level that is applicable to such benefits and available under the plan;

2. any income received for disability or retirement under the Employer's Retirement Plan, to the extent that it can be attributed to the Employer's contributions;

3. any income received for disability under:

    - a group insurance policy to which the Employer has made a contribution, such as:

        - benefits for loss of time from work due to disability; and
        - installment payments for permanent total disability.

    - a no-fault auto law for loss of income, excluding supplemental disability benefits;

    - a self-funded plan, or other arrangement if the Employer contributes toward it or makes payroll deductions for it;

    - any sick pay, vacation pay or other salary continuation that the Employer pays to You;

    - Unemployment insurance law or program; and/or

4. any income that You receive from working while Disabled. This includes but is not limited to salary, commissions, overtime pay, bonus or other extra pay arrangements from any source.

5. recovery amounts that You receive for loss of income as a result of claims against a third party by judgment, settlement or otherwise, including future earnings.

REDUCING YOUR DISABILITY BENEFIT BY THE ESTIMATED AMOUNT OF YOUR STRS, PERS, OR FERS OR OTHER PUBLIC EMPLOYEE RETIREMENT OR DISABILITY BENEFIT PLAN OR PROGRAM

If there is a reasonable basis for You to apply for benefits under a federal, state or other public employee retirement or disability plan or program, including a STRS, PERS or FERS Retirement System, We expect You to apply for such benefits.

1. **With respect to STRS, PERS or FERS Benefit Plans or Programs,** to apply means to pursue such benefits through all applicable levels of appeal provided for under such benefit plans or programs. You must, within 4 weeks following the date You became Disabled:

    - send Us Proof that You have applied for benefits under such plans or programs;

    - sign a reimbursement agreement in which You agree to repay Us for any overpayments We may make to You under this insurance; and

    - sign a release that authorizes such benefit plans or programs to provide information directly to Us concerning Your benefits eligibility under such plans or programs.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL REDUCE YOUR DISABILITY BENEFIT

If You do not satisfy the above requirements, We will reduce Your Disability benefit by the amount of such STRS, PERS or FERS benefit that We estimate You are eligible to receive**,** provided that We have the reasonable means to make such an estimate. We will start to do this with the first Disability benefit payment under this certificate coincident with the date You were eligible to receive STRS, PERS or FERS benefits under any such plans or programs.

2. With respect to benefits You have applied for under a federal, state or other public employee retirement or disability plan or program, including a STRS, PERS or FERS Retirement System plan or program, if You do receive approval or final denial of Your claim for such benefits, You must notify Us immediately. We will adjust the amount of Your Disability benefit. You must promptly repay Us for any overpayment.

SINGLE SUM PAYMENT

If You receive Other Income in the form of a single sum payment, You must, within 10 days after receipt of such payment, give Written Proof satisfactory to Us of:

- the amount of the single sum payment;
- the amount to be attributed to income replacement; and
- the time period for which the payment applies.

When We receive such Proof, We will adjust the amount of Your Disability benefit.

If We do not receive the Written Proof described above, and We know the amount of the single sum payment, We may reduce Your Disability benefit by an amount equal to such benefit until the single sum has been exhausted.

If We adjust the amount of Your Disability benefit due to a single sum payment, the amount of the adjustment will not result in a benefit amount less than the minimum amount, except in the case of an Overpayment.

If You receive Other Income in the form of a single sum payment and We do not receive the Written Proof described above within 10 days after You receive the single sum payment, We will adjust the amount of Your Disability benefit by the amount of such payment.

DISABILITY INCOME INSURANCE: INCOME WHICH WILL NOT REDUCE YOUR DISABILITY BENEFIT

We will not reduce Your Disability benefit to less than the Minimum Benefit shown in the SCHEDULE OF BENEFITS, or by:

- cost of living adjustments that are paid under any of the above sources of Other Income;
- reasonable attorney fees included in any award or settlement. If the attorney fees are incurred because of Your successful pursuit of Social Security disability benefits, such fees are limited to those approved by the Social Security Administration;
- group credit insurance;
- mortgage disability insurance benefits;
- early retirement benefits that have not been voluntarily taken by You;
- veteran's benefits;
- individual disability income insurance policies;
- benefits received from an accelerated death benefit payment; or
- amounts rolled over to a tax qualified plan unless subsequently received by You while You are receiving benefit payments.

DISABILITY INCOME INSURANCE: DATE BENEFIT PAYMENTS END

Your Disability benefit payments will end on the earliest of:

- the end of the Maximum Benefit Period;
- the date You are no longer Disabled;
- the date You die;
- the date You cease or refuse to participate in a Rehabilitation Program that We require; and that is approved by Your Physician,
- the date You fail to have a medical exam requested by Us as described in the Physical Exams subsection of the GENERAL PROVISIONS section;
- the date You fail to provide required Proof of continuing Disability.

While You are Disabled, the benefits described in this certificate will not be affected if:

- Your insurance ends ; or
- the Group Policy is amended to change the plan of benefits for Your class.

DISABILITY INCOME INSURANCE: PRE-EXISTING CONDITIONS

Pre-existing Condition means a Sickness or accidental injury for which You:

- received medical treatment, consultation, care, or services; or
- took prescription medication or had medications prescribed;

in the 3 months before Your insurance under this certificate takes effect.

We will not pay benefits for a Disability that results from a Pre-existing Condition, if You have been Actively at Work for less than 12 consecutive months after the date Your Disability insurance takes effect under this certificate.

DISABILITY INCOME INSURANCE: LIMITED DISABILITY BENEFITS

For Occupational Disabilities

We will not pay benefits for any Disability:

- which happens in the course of any work performed by You for wage or profit; or
- for which You are eligible to receive benefits under workers' compensation or a similar law.

2. sex-change surgery;
3. reversal of sterilization;
4. liposuction;
5. visual correction surgery; and
6. in vitro fertilization; embryo transfer procedure; or artificial insemination. However, pregnancies and complications from any of these procedures will be treated as a Sickness.

FILING A DISABILITY INCOME CLAIM

The Employer should have a supply of claim forms. Obtain a claim form from the Employer and fill it out carefully. Return the completed claim form with the required Proof to the Employer.

If You are unable to report for Active Work due to a Sickness or accidental injury, and You think that You may be Disabled, You should contact MetLife or Your benefits representative to initiate a claim. We recommend that You do so no later than 14 days after the first day You are unable to report for Active Work so that Your claim can be processed in a timely manner.

When a claimant files an initial claim for Disability Income insurance benefits described in this certificate, both the notice of claim and the required Proof should be sent to us within 90 days after the end of the Elimination Period.

Notice of claim and Proof for Disability Income Insurance may also be given to Us by following the steps set forth below:

Step 1
A claimant may give Us notice by calling Us at the toll free number shown in the Certificate Face Page within 20 days of the date of a loss.

Step 2
We will send a claim form to the claimant and explain how to complete it. The claimant should receive the claim form within 15 days of giving Us notice of claim.

Step 3
When the claimant receives the claim form, the claimant should fill it out as instructed and return it with the required Proof described in the claim form.

If the claimant does not receive a claim form within 15 days after giving Us notice of claim, Proof may be sent using any form sufficient to provide Us with the required Proof.

Step 4
The claimant must give Us Proof not later than 90 days after the end of the Elimination Period.

If notice of claim or Proof is not given within the time limits described in this section, the delay will not cause a claim to be denied or reduced if such notice and Proof are given within 90 days after the end of the Elimination Period or if it is not reasonably possible to give notice of claim or Proof within such period, they are given as soon as is reasonably possible thereafter.

GENERAL PROVISIONS (CONTINUED)

Physical Exams

If a claim is submitted for insurance benefits, We have the right to ask the insured to be examined by a Physician(s) of Our choice as often as is reasonably necessary to process the claim. We will pay the cost of such exam.

Autopsy

We have the right to make a reasonable request for an autopsy where permitted by law. Any such request will set forth the reasons We are requesting the autopsy.

Overpayments

Recovery of Overpayments

We have the right to recover any amount that We determine to be an overpayment.

An overpayment occurs if We determine that:

- the total amount paid by Us on Your claim is more than the total of the benefits due to You under this certificate; or
- payment We made should have been made by another group plan.

If such overpayment occurs, You have an obligation to reimburse Us. Our rights and Your obligations in this regard are described in the reimbursement agreement that You are required to sign when You submit a claim for benefits under this certificate. This agreement:

- confirms that You will reimburse Us for all overpayments; and
- authorizes Us to obtain any information relating to sources of Other Income.

How We Recover Overpayments

We may recover the overpayment from You by:

- stopping or reducing any future Disability benefits, including the Minimum Benefit, payable to You or any other payee under the Disability sections of this certificate;
- demanding an immediate refund of the overpayment from You; and
- taking legal action.

If the overpayment results from Our having made a payment to You that should have been made under another group plan, We may recover such overpayment from one or more of the following:

- any other insurance company;
- any other organization; or
- any person to or for whom payment was made.

Lien and Repayment

If You become Disabled and You receive Disability benefits under this certificate and You receive payment from a third party for loss of income with respect to the same loss of income for which You received benefits under this certificate (for example, a judgment, settlement, payment from Federal Social Security or payment pursuant to Workers' Compensation laws), You shall reimburse Us from the proceeds of such payment up to an amount equal to the benefits paid to You under this certificate for such Disability. Our right to receive

reimbursement from any such proceeds shall be a claim or lien against such proceeds and Our right shall provide Us with a first priority claim or lien over any such proceeds up to the full amount of the benefits paid to You under this certificate for such Disability. You agree to take all action necessary to enable Us to exercise Our rights under this provision, including, without limitation:

- furnishing of documents and other information as requested by Us or any person working on Our behalf; and

You shall cooperate and You shall cause Your legal representative to cooperate with Us in any recovery efforts and You shall not interfere with Our rights under this provision. Our rights under this provision apply whether or not You have been or will be fully compensated by a third party for any Disability for which You received or are entitled to receive benefits under this certificate.

"THIS IS THE END OF THE CERTIFICATE. THE FOLLOWING IS ADDITIONAL INFORMATION"

SPECIAL SERVICES
Return To Work Program

Goal of Rehabilitation

The goal of MetLife is to focus on Employees' abilities, instead of disabilities. This "abilities" philosophy is the foundation of our Return to Work Program. By focusing on what Employees can do versus what they can't, we can assist you in returning to work sooner than expected.

Incentives For Returning To Work

Your Disability plan is designed to provide clear advantages and financial incentives for returning to work either full-time or part-time, while still receiving a Disability benefit. In addition to financial incentives, there may be personal benefits resulting from returning to work. Many Employees experience higher self-esteem and the personal satisfaction of being self-sufficient and productive once again. If it is determined that you are capable but you do not participate in the Return to Work Program, your Disability benefits may cease.

Return-to-Work Services

As a covered Employee you are automatically eligible to participate in our Return-to-Work Program. The Program aims to identify the necessary training and therapy that can help you return to work. In many cases, this means helping you return to your former occupation, although rehabilitation can also lead to a new occupation which is better suited to your condition and makes the most of your abilities. There is no additional cost to you for the services we provide, and they are tailored to meet your individual needs. These services include, but are not limited to, the following:

1. **Vocational Analyses**

   Assessment and counseling to help determine how your skills and abilities can be applied to a new or a modified job with your Employer.

2. **Labor Market Surveys**

   Studies to find jobs available in your locale that would utilize your abilities and skills. Also identify one's earning potential for a specific occupation.

3. **Retraining Programs**

   Programs to facilitate return to your previous job, or to train you for a new job.

4. **Job Modifications/Accommodations**

   Analyses of job demands and functions to determine what modifications may be made to maximize your employment opportunities.

   This also includes changes in your job or accommodations to help you perform the previous job or a similar vocation, as required of your employer under the Americans With Disabilities Act (ADA).

5. **Job Seeking Skills and Job Placement Assistance**

   Special training to identify abilities, set goals, develop resumes, polish interviewing techniques, and provide other career search assistance.

Return-to-Work Program Staff

The Case Manager handling your claim will coordinate return-to-work services. You may be referred to a clinical specialist, such as a Nurse Consultant, Psychiatric Clinical Specialist, or Vocational Rehabilitation Consultant, who has advanced training and education to help people with disabilities return to work. One of our clinical specialists will work with you directly, as well as with local support services and resources. They have returned hundreds of individuals to meaningful, gainful employment.

Rehabilitation Vendor Specialists

In many situations, the services of independent vocational rehabilitation specialists may be utilized. Services are obtained at no additional cost to you; MetLife pays for all vendor services. Selecting a rehabilitation vendor is based on:

1. Attending physician's evaluation and recommendations;
2. Your individual vocational needs; and
3. Vendor's credentials, specialty, reputation, and experience.

When working with vendors, we continue to collaborate with you and your doctor to develop an appropriate return-to-work plan.
