Enroll in LifeLock Identity Theft Protection

In an always-on, ever-connected world, the risk of identity theft is real. There is a new identity fraud victim every two seconds.¹ You can protect yourself with LifeLock identity theft protection.

LifeLock's identity network scans hundreds of millions of datapoints a second. LifeLock alerts[†] you when it discovers your personal information in its network.

LifeLock protection is different than free credit monitoring and offers a full set of features including:

- Lost Wallet Protection
- 24/7 Life Member Support,
- U.S.- Based Identity Restoration Specialists
- Data Breach Notifications, and
- Investment Account Activity Alerts.^{**}
